posted on the signs placed at or reasonably near the corporate limits of the Village in accordance with the provisions of Section 349.13, Wis. Stats. The Village Board shall have the authority, within the reasonable exercise of police powers, to prohibit, limit the time or otherwise restrict the stopping, standing or parking of vehicles beyond the provisions of Chapter 346, Wis. Stats., and shall also have the authority to restrict the turning or movement of heavy traffic and to impose special weight limitations on any highway or portions thereof which, because of the weakness of the roadbed due to deterioration or climactic conditions or other special or temporary conditions, would likely be seriously damaged or destroyed in the absence of any restrictions on heavy traffic movement or special weight limitations. If the owner or operator of such vehicle shall not remove such vehicle as provided in Subsection (b)(3), the Village may move such vehicle to some other suitable location so as not to interfere with snow removal and plowing.
- (b) **Snow Removal Emergency.**
 - (1) Snow removal emergency is a condition of streets where the snowfall has accumulated to three (3) inches, or has fallen so as to produce a congestion of traffic.
 - (2) The Village President or Director of Public Works shall attempt to communicate to known owners of parked vehicles, as quickly as possible, the existence of a snow removal emergency, but the failure to receive such notice shall not excuse any person

from obeying the provisions of this Section. The Village President or Director of Public Works shall also post on those streets in the business district a temporary sign, readily visible to both pedestrians and vehicle operators, declaring a snow removal emergency.

- (3) Once the Village President or Director of Public Works has declared a snow emergency removal and has erected temporary signs notifying the public thereof, owners or operators of vehicles parked on a street in the business district shall remove their vehicle within thirty (30) minutes after posting. Any vehicle parked in a snow removal emergency area thirty (30) minutes after posting shall be towed away.
- (c) **Parking During Snow Removal Operations.** After any snowfall which the Village President or Director of Public Works deems to be sufficiently heavy to necessitate its removal from Village streets in the business district, the Village President or Director of Public Works shall forthwith establish and temporarily mark "NO PARKING" zones. If the owner or operator of any vehicle parked in any such zone shall not remove such vehicle within thirty (30) minutes after such posting, the Village may move such vehicle to some other suitable location so as not to interfere with snow removal and plowing.
- (d) **Removal of Vehicle at Owner's Expense.** The owner or operator of a vehicle removed under this Section shall be liable for the cost of removal and the person having removed the vehicle may retain possession of the vehicle until the cost of towing has been paid. Neither the Village nor the person removing the vehicle shall be liable for damages to such vehicle during its removal, in the absence of negligence.
- (e) **Exception.** For the purposes of this Section, the owner of any vehicle is deemed to have permitted his/her vehicle to be parked or "left standing" unless he/she establishes that he/she did not consent, either expressly or implied, to the operation of the vehicle.

- (e) **Towing and Storage Charges.** In addition to other penalties provided in this Chapter, the owner or operator of a vehicle so removed shall pay the actual cost of moving, towing and storage. If the vehicle is towed or stored by a private motor carrier, motor vehicle salvage dealer or licensed motor vehicle dealer, actual charges regularly paid for such services shall be paid. If the vehicle is stored in a public storage garage or rental facility, customary charges for such storage shall be paid.
