Article A: Introduction

Sec. 11-7-1 In General.

- (a) It is a lawful purpose of the Village Board to enact rules and regulations as are necessary for the preservation of health and to prevent the spread of AIDS and other communicable or sexually transmitted diseases in the Village of Rudolph. It has been found by localities through the State of Wisconsin, particularly Milwaukee, Racine, Waukesha, Delafield, Kenosha and West Allis, as well as communities around the country, including Indianapolis, Indiana; Boston, Texas; Chattanooga, Tennessee; Newport News, Virginia; Marion County, Indiana; Detroit, Michigan; and Seattle, Washington; as well as other communities around the country, that sexually oriented adult entertainment establishments are predisposed to the creation of unsafe and unsanitary conditions; that operators and employees of such businesses tend to participate in sex-related offenses on the premises, creating substantial law enforcement problems, and that the operational characteristics of such businesses have a deleterious effect on surrounding areas, resulting in neighborhood blight and reduced property values, especially when such businesses are concentrated in one (1) area. Many of such establishments install movie viewing booths with doors in which patrons view videotapes, movies, films and other forms of entertainment characterized by their emphasis on depicting, describing or relating to specified sexual activities or specified anatomical areas, and that such booths have been and are being used by patrons to engage in sexual acts resulting in unsanitary, unhealthy and unsafe conditions in said booths and establishments. This Chapter is intended to establish standards in order to prevent the spread of AIDS and other communicable or sexually transmitted diseases, and to eliminate the deleterious effects described above in the Village of Rudolph.
- (b) The Village Board finds that there is an increasing likelihood of commercial exploitation of human sexuality by owners of premises holding "Class B" alcohol beverage licenses in the State of Wisconsin. Such exploitation takes place in the form of employing or permitting persons to perform or exhibit their nude or semi-nude bodies to other persons as an inducement to other persons to purchase alcohol beverages. The direct result of such exploitation is criminal activity, moral degradation and disturbance of the peace and good order of the community. In addition, this commercial exploitation of such nude and semi-nude acts is adverse to the public's interest in the quality of life, commercial activity and total community environment in the Village of Rudolph.
